

TILES 12/15

GLASS MOSAIC DEGRADADO SERIES

Blends in mosaic patterns provide an optical effect as result of careful positioning of tiles
The height of each blend corresponds to 13 tiles of 2.5cm x 2.5cm (33.5cm). An 8 Pan blend comprises of 8 sections covering a total height of 268cm. Any part of the shaded blend can be requested.

Note: There may be a slight deviation in colour between batches. We always recommend to order the entire swimming pool tiles in one go and to ensure the batch number is the same of all tiles before starting installation.
