

TILES 12/23

3D GLASS MOSAIC PENTA PURE

Penta Pure range of 3D glass Mosaics are ideal solution for projects seeking a coating that elevates classic pool mosaics. Its balanced design brings a clean and sophisticated aesthetic, adapting to spaces where elegance and sustainability are essential. It is offered in a diverse color palette, ranging from classic greens and blues to innovative shades, expanding the chromatic possibilities of every project. Matte and glossy finishes ensure a unique result, meeting the highest needs and standards.

Note: There may be a slight deviation in colour between batches. We always recommend to order the entire swimming pool tiles in one go and to ensure the batch number is the same of all tiles before starting installation.

- Made in Spain
- 98% Recycled Glass
- Eco Friendly
- Green & Sustainable Products

All ONIX 98% recycled glass mosaics series are made of molten glass. Molten glass characteristics may include irregular edges and small variations in size. These characteristics are inherent to the product and to the standard production. The small size and shape variations can affect the grout joint appearance and enhance the natural aspect of these products.

Your global partner since 1974. Trusted for superior quality and exceptional innovations.
