

TILES 12/25

# GLASS MOSAIC KARMA

Karma's design is based on fine materials and brings 12 new models in natural collection of tiles for pools and wellness, whilst respecting the values of sustainability and creativity and adding versatility.

In Karma collection, you will find the marble inspired options of Calacatta, Travertine, Smoky and Black marble, which stand out for their elegant and distinguished finish; the tropical wood tones of Wallis and the warm colours of marine flora in Coral. Likewise, there are natural stones inspired mosaic tiles in a wide range of colours, from the deepest blues of Ura, Moana and Blue moon to green and earth tones of Bali Stone and Aquarela.

**Note:** There may be a slight deviation in colour between batches. We always recommend to order the entire swimming pool tiles in one go and to ensure the batch number is the same of all tiles before starting installation.
