

TILES 12/24

GLASS MOSAIC LUMAK

Latest collection LUMAK is inspired by the delicate beauty of feathers, in relaxing tones combined with elegant metallic reflections. The 6 new glass mosaic models produced with the most advanced techniques in the highest mountains of the Basque Country. The new premium Lumak references are available in 2.5x2.5cm and 5x5cm and are presented on our polyurethane cord support, which provides reliability during the installation.

Note: There may be a slight deviation in colour between batches. We always recommend to order the entire swimming pool tiles in one go and to ensure the batch number is the same of all tiles before starting installation.
